

KONICA MINOLTA

72 ppm output speed to meet high-volume print/copy demands of corporate users and clients

7,600-sheet maximum paper capacity (with options) for longer operation with less reloading.

300,000-page maximum monthly duty cycle for work-horse reliability in high-volume applications

Simitri® Polymerized Toner

for sharper fine lines, more legible text, better halftone definition and richer solid fills. Plus, ACT™ (Advanced Continuous Toner) technology allows you to change toner on the fly.

Powerful desktop printing

with optional IP-511 Type A Embedded Print Controller, including Tab Support printing and Tandem Printing to double your print/copy output – up to 144 ppm.

Fast, flexible scanning:

Scanning from ADF at up to 70 scans per minute; Scan-to-E-mail to share documents, Scan-to-FTP server or HDD for immediate downloading, saving in personal file folders, or sharing over your network.

Production-quality finishing options:

saddle-stitch booklet-making, 100-sheet stapling, 2-hole/3-hole punching, tri-fold, z-fold, post insertion and more.

Expanded memory capacity

for storing scanned pages and job information as well as auto job handling and recall.

PageScope Net Care to manage devices with simple web-browser control.

PageScope options for personal document management, OCR and image enhancement, file format conversion and simple document routing.

Konica Minolta Digital Printer/Copier/Scanner. Increase your workflow with high-speed, high-volume throughput. Fast, flexible scanning. In-house, on-demand printing and finishing. Options to grow as your business grows – and make all your information more powerful.
